## **Don Gibson joins Jordan, Patke and Associates as Director of the newly formed Internal Control Consulting Group**

---

Jordan, Patke and Associates, Ltd., (JPA) a boutique CPA firm based in Lincolnshire, IL , announces today that Don Gibson has joined the firm as director of their newly formed Internal Control Consulting Group.

**Lincolnshire, IL August 18, 2008** – Jordan, Patke and Company (JPA) continues to expand it’s knowledge base and service offerings by hiring Don Gibson to establish their Internal Control Consulting Group. Gibson brings considerable knowledge and experience to the team. Having worked on internal control projects both as an outside consultant and as a senior executive within a company, he understands the theoretical and practical issues that arise during these projects.

“We are extremely pleased to have someone of Don’s caliber to come in and lead this area,” said Ron Niemaszyk a principal within the firm. “The need for practical compliance solutions and conflict-free support with regard to internal control continues to increase. With Don’s knowledge we have experience dealing with everything from all phases of Sarbanes 404 compliance to the internal control issues faced by our smaller clients.”

Jordan, Patke and Associates, Ltd. is a boutique CPA firm headquartered in Lincolnshire, IL. In addition to providing a range of accounting, tax and consulting services, the firm has two focused service groups: The Investment Partnership Audit Group and the Internal Control Consulting Group.
