Jordan, Patke and Associates Goes Paperless

Jordan, Patke and Associates, Ltd., (JPA) a boutique CPA firm based in Lincolnshire, IL , announces today that all of their audit records and workpapers will be 100% electronic.

Lincolnshire, IL July 1, 2007 – Jordan, Patke and Associates (JPA) has taken the next step in their Electronic Initiative. After an extensive investigation process that took approximately 10 months, the firm has made the necessary investment in hardware, software and training for a full conversion to take place.

“As a firm, we have always been somewhat ahead of the curve when it comes to technology,” said Paul Patke JPA’s managing partner. “But this change puts us far ahead of the majority of small and mid-sized accounting firms. The technology will allow us to be more efficient in every phase of the audit process which will benefit the firm, our staff and most importantly – our clients.”

Jordan, Patke and Associates, Ltd. is a boutique CPA firm headquartered in Lincolnshire, IL. In addition to providing a range of accounting, tax and consulting services, the firm provides audit services for investment partnerships and hedge funds located throughout the country.
